Retention and Enrollment Renewal

- a. The school cannot guarantee a place unless an enrollment deposit of \$500 is returned to the school by May 1, 2011. Full payment plans must be paid in full by June 1, 2011 to qualify for the tuition discount.
- b. The student's right to attend classes is dependent on completing scheduled payments as contracted. All families' financial obligations must be kept current or students will be denied enrollment for the start of each semester (Sept and Jan.)
- c. Students are enrolled for the entire academic term. In accepting a student for enrollment, the school makes financial commitments and assumes expenses that are not reduced by the student's decision not to attend and/or withdrawal during the school term. The undersigned hereby acknowledges that Spring Street International School is relying upon the payment of tuition to

meet its budgetary requirements. In the event of withdrawal or dismissal, tuition obligation remains in accordance with the cancellation policy set forth below.

Dismissal

- a. The school reserves the right to dismiss any student whom, in the judgment of the administration, has not consistently demonstrated a commitment to learning and a willingness to behave in accordance with the school's academic and behavioral standards.
- b. Without terminating the obligation of the undersigned to pay tuition, Spring Street International School can refuse to allow students to attend or continue to attend school in the event that the undersigned fails to comply with the tuition payment obligations as set forth in this agreement.
- c. This enrollment contract is for the 2011 -2012 school term only and the offering of enrollment for any subsequent school year is at the discretion of Spring Street International School.

Overdue Accounts

- a. Transcripts of a student's work or credits will not be sent to another school or college unless all payments and other financial commitments have been met.
- b. *Students may not begin classes unless SSIS and parent/guardian sign this agreement and tuition fees are either paid in full or enrollment in a TMS payment plan is verified.*
- c. The parties to this agreement agree that any litigation to enforce any term or provision of this agreement shall be heard by the Superior Court of San Juan County, Washington and the parties agree that in such litigation, the prevailing party shall be entitled to an award of costs and fees.

Cancellation and Refund Policy

Spring Street International School makes financial commitments in reliance on signed agreements and the final count of student enrollments. In the event of cancellation after paying a deposit, or withdrawal after enrolling, the following liquidated damages will apply:

Cancellation through August 15	Loss of deposit (\$500 only)
Cancellation August 15 – start of term	Loss of deposit (\$500) plus \$500 flat fee or \$1,000.
Withdrawal after school begins	Loss of deposit plus full balance of tuition for any semester (1/2 year tuition) and all book fees. One exception is for 12 th grade students, whose tuition obligation is for a full year due to special 12 th grade placement services provided.

Service Commitment

SSIS requires a commitment from each of our students' families of 25 hours of service to the school. This commitment can be met in many ways: chaperoning field trips, working in the office, helping maintain the campus facilities, etc. Through this support we are able to focus our revenues on the educational program rather than operating costs. Families who are unable to meet this commitment will be billed at the end of the school term at the rate of \$15 per hour for each hour not committed.

Statement of Parental Support

We assume parental support of our philosophy of education and its expression in day-to-day school and classroom programs. The education of your child is a joint venture of family and school. Your support of our policies and decisions and your willingness to communicate with us directly whenever concerns or questions arise are of utmost importance. This crucial partnership must be based on trust and mutual respect. The underlying foundation of the teacher/student relationship is also based on trust and respect.

At Spring Street International School we expect our students to show respect, courtesy, kindness, and consideration towards others. We expect our parents, faculty and staff to model the same high standards of respectful, professional behavior in their communications with others at the school. Our school encourages

proper communication and will steadfastly attempt to address all concerns shared with staff or faculty. However, parents and guardians must bear in mind that we will not tolerate insults or abusive behavior or any conspicuously uncooperative or destructive attitude toward any teacher or staff member. Abusive behavior may lead to the cancellation of a family's contract through non-renewal or involuntary withdrawal.
